"Uri is the ideal place for competence centres and production facilities with a high standard of customisation - the industrial group Dätwyler has been relying on it since 1915. From our base here we drive our global expansion into new market segments, technologies and regions. We value the agility of our local employees and partners from Uri."

Dirk Lambrecht, CEO Dätwyler Group

In terms of tax competition, Uri is well-ranked among the 26 Swiss cantons (states).

Workforce

- 2.7 mio. inhabitants
- 1.7 mio. employees
- 205,000 companies
